

CERTIFICATE OF REACH COMPLIANCE

Article 33 of EU REACH Regulation No. 1907/2006 requires that Lumics GmbH notify our customers in the case that any of the REACH Candidate List SVHC is present above 0.1% (weight by weight) in articles that we supply. The directive provides guidelines to label hazardous substances which are classified, registered and must be labeled according to ECHA's databases on (<http://echa.europa.eu/information-on-chemicals/registered-substances>) with a threshold above 0.1% by weight. Article 3(3) of the REACH regulation defines an article as "an object which during production is given a special shape, surface or design which determines its function to a greater degree than its chemical composition".

The following table lists out finished products and/or articles of Lumics GmbH that do not contain substances from the EU REACH Candidate List SVHC above 0.1% by weight, based on our current understanding.

No	Short Name of product or article	PART DESCRIPTION by Link to Product
1	TO220 - multi mode fiber pigtailed modules	http://www.lumics.com/products/multimode-diode-laser/
2	Flat_Mount 9 - multi mode laser diode on submount	http://www.lumics.com/products/multimode-diode-laser/
3	Flat Package - multi mode laser diode with free beam	http://www.lumics.com/products/multimode-diode-laser/
4	COC_13- multi mode laser diode on submount	http://www.lumics.com/products/multimode-diode-laser/
5	BTF14 and Mini DIL8 fiber pigtailed modules	http://www.lumics.de/products/singlemode-diode-laser/
6	LuOcean MINI 4 & MINI 8 multi mode fiber pigtailed modules	http://www.lumics.de/products/luocean-laser-modules/
7	LuOcean MINI 3 & P2 multi mode fiber pigtailed modules	http://www.lumics.de/products/luocean-laser-modules/
8	LuOcean M4 multi mode fiber pigtailed modules	http://www.lumics.de/products/luocean-laser-modules/
9	Driver kit including cables	https://www.lumics.de/products/drivers-power-supplies/

Table Reach compliance classification for all Lumics products and/or articles
